**What Problem?** Homelessness is often an invisible problem in rural areas like Wiltshire. Unlike the big cities, rough sleepers are rarely seen. Nevertheless around 1/3 of guests visiting Doorway for the first time are sleeping outdoors. People finding themselves without a roof in Chippenham, perhaps because of repossession or relationship breakdown, will be taken in by friends and allowed to sleep on the floor rather than remain on the streets. Not all Doorway's guests are homeless, but all are vulnerable because they have problems such as physical or mental ill health, debt or substance use which are likely to affect their ability to cope with a tenancy or hold down a job.

**Doorway** drop-in opens twice a week offering food, clothing, laundry and shower facilities and help to deal with health and other problems. We also offer activities which teach new skills and develop guests' self belief that they can turn their lives around.

**Friends of Doorway** is a team of volunteers in the community led by a small voluntary committee who give time, energy or resources to raise the profile of Doorway and to generate much needed funds.
